If you read books or search the internet for how to win the lottery, you'll find a lot of tips that don't work. Lottery frequency schemes (every number has an equal chance of winning, no matter how recently it was drawn), software that's supposed to be better at picking numbers, and other forms of wishful thinking abound.

How to Win the Lottery: 7 Tips that Really Work!

Scratch is a free programming language and online community where you can create your own interactive stories, games, and animations.
