The following are essays written originally for conference presentations about illustration, writing and reading, as well as some interviews. These may be of interest to students, teachers and librarians (and possibly other illustrators).

Picture books - Shaun Tan

Book illustration as we now know it evolved from early European woodblock printing. In the early 15th century, playing cards were created using block printing, which was the first use of prints in a sequenced and logical order.

Welcome to this latest edition of my catalogue. Not a lot new, due to the pressures of keeping up with current

orders. In order to alleviate this problem, I intend to sell some fittings as castings only, this will give me more time to concen-
