law, eg the criminal law that says that murder and robbery are crimes. Customary law Customary law is written and unwritten law which develops from the customs of a community. When the customs of a community become fixed practices (customs) which people use and believe in, these customs become a form of customary law.

Introduction to the legal system - Section 27

An introduction to law This key introductory OU level 1 law module is taught entirely online and considers the nature and role of law. It examines the role and function of a legal system by considering why laws develop, how laws are created, interpreted and applied and the role that law plays in regulating and administering

justice within a society.

An Introduction to American Law | Coursera

PDF. About this book. Introduction. This book is exceptional in the sense that it provides an introduction to law in general rather than the law of one specific jurisdiction, and it presents a unique way of looking at legal education. It is crucial for lawyers to be aware of the different ways in which societal problems can be solved and to be able to discuss the advantages and disadvantages ...
